why they hate you

Here ya go fam ima put why ^^

Aries♈-Australia:you killed one of his spider friends

♉Taurus-Argentina:you said Falklands is better off with UK

Cancer♋-Mexico:you reminded her of her kids(**texas,newmexico,etc**) your personality reminded her of them and well she just didn't want to remember so she pushed you away

♊Capricorn-USSR:you stole all his vodka

Libra♎-Finland:you made Estonia cry by accident

♈Aquarius-Spain:your Personality reminded him of mexico (**I like to say sence a lot of Mexicans have a stubborn trait that so is mex you know even after all these years after the spanish conquest**)

Gemini♊-America:you tried taking his beloved oil

♏Scorpio-Japan:saying that you don't like rusame just to see her reaction she hasn't talked to you for a month

Leo♌-Netherlands:you tried to help go clean by taking it all away he really didn't like it

Virgo♍-UK:you helped ame dump all the tea in the river

♐Sagittarius-Ukrain:this one was a very big misunderstanding he had just made you a flower crown when you were walking home you fell ripping it when he came over the next day seeing it ripped he thought you didn't wanna be friends anymore **hurry go save that relationship ;;**

Pisces✕-Nazi boiiiiiii:you started hanging out more with USSR and america

Heyy guys haven't updated much but I'll try and hum so I don't get any mad peeps ^^" I'm mexian too so that's why I put that but that's about it bye Rosa's !🌹🌹

authors note

OH GOD YOU GUYS!

This has so much views it makes me so happy I remember when I only had 11 followers and not a lot of views on my story's this story is making me see that I should keep writing and well all i want to say is

THANK YOU!^^

oof

You guys can pit requests in here if you like I'm sorry just haven't got any ideas

who kisses you

under the mistletoe

Aries♈-Usa:Canada and America PUSHED you and (country of your choice) under the mistletoe and you both kissed

♉Taurus-Estonia-you were on your phone not knowing Sweden put mistletoe above you estonia walked over to you pointing up then he kissed you on the cheek

Cancer♋Spain-mr.steal yo man here pulled you under being the romancer that he is he did that thing were they tip you then kiss you that sly little Spanish man

♊Capricorn-Poland-your walked up to Poland with mistletoe you put it above your guys head he saw it and started to blush he gave you a small peck

Libra♎-Germany- he was in his work room so you made a plan you put it above the door and walked in you pulled him out kissing his cheek he was confused you pointed up he saw it he blushed he stayed out for the rest of the party

♒Aquarius-Russia-you both walked under by accident America saw this pointing it out all the attention was put on you both so you guys had to go threw with the kiss

Gemini♊-Mexico-she is the daughter of Spain for God's sake she pulled you to dance with her being the sly mexican she is she pulled you under the mistletoe still dancing she then tipped you pointing up she then kissed you

♏Scorpio-Brazil-you and him were trying to trick the others by putting mistletoe above those you shipped and changing the eggnog for glue on the countrys god tried of it so they put you under the mistletoe with zil you both blushed then kissed

Leo♌-France-she was walking around with you then you both stood under the mistletoe she looked up she giggled "look up Monsieur/Mademoiselle"you saw the mistletoe "oh w-would you look at that"you laughed nervously she pulled you towards her placing a kiss on your lips

Virgo♍-Virgo-UK-Ok this boy no hate you he is a tsundere Canada and America both knew how he felt so they tried helping him Canada was talking to you leading you to where America and UK were at when you got there UK saw you "why is she here!"he glared at America you looked away crossing your arms "were fixing the problem!"Canada and America said as they pushed you and UK at the same time under the mistletoe

♊Sagittarius-Ukraine-you missed being his friend so you thought about a plan for the next Christmas party you told Russia and Belarus about it they were going to help you Belarus Led Ukraine to the mistletoe she didn't step under it she walked away as Russia called for her you stepped from behind Ukraine turning him around "I'm sorry for the flower crown Ukraine I never ment to hurt you.."Ukraine had tears from in his eyes he hugged you "I'm glad you told me I was wanting to talk but I didn't know how..." you smiled pointing up he blushed you smiled kissing him

Pisces♏-Canada:Canada had waited for you to come to the party he had the mistletoe with him when you walked in he put it up when he was in front of you you looked up "cheater"you smiled at him he giggled kissing you
